Technical drawing of a refrigerator, showing a side view. The unit is a 5-door model with a height dimension of 3042. The drawing includes a top panel, a main body with five doors, and a base. The doors are dark gray, and the top and base panels are light gray. The unit is shown on a textured floor.

Architectural floor plan of a bathroom labeled "PIANTA". The plan shows a long rectangular room with two rows of stalls. The top row has six stalls, each with a toilet and a sink. The bottom row has three stalls, each with a toilet and a sink. The plan includes dimensions: 930mm for the width of the stalls, 929mm for the width of the entrance area, 1100mm for the total width, 1069mm for the width of the entrance area, 500mm for the width of the entrance area, 800mm for the width of the entrance area, 2100mm for the length of the stalls, 6055mm for the total length, and 2435mm for the width of the entrance area. The plan also shows a door labeled "D" and a window labeled "C". A note on the right indicates "DN110 Ø3/4\"M" with a red arrow pointing to the right.

A side elevation drawing of a dark grey metal cabinet. The cabinet features two doors with horizontal handles. A vertical dimension line on the left indicates a height of 3042. The cabinet is shown sitting on a base with a hatched pattern below it.

Technical drawing of a dark grey metal cabinet. The cabinet features a double-door design. The left door has a viewing window with a blue-tinted glass and a dark frame. Above the window is a small circular lock or handle. The right door is solid. The cabinet has a sturdy base with four legs. The drawing is labeled with '3042' on the right side.
